Update for 2020/21 season - Nov 2020

A zoom meeting of officers was held on 10 November 2020 and the following was agreed:

NO LADIES COMPETITIONS for 20/21 season

NO MATCHES FOR 20/21 season

President Carolyn Lythgoe will carry on as President for 2021/22 season

Date of next meeting - 25 February 2021 - 11am at King George Field IBC

Although this is currently not great news for our beloved sport, the committee are hoping that we will all rise up with more strength and vigour for the future season to make up for lost time.

I have just spoken to Sheila Absolon who had her knee replacement on 10 October and is on the mend but slowly - I am sure she would appreciate a call. Both cataracts have now been done. Go bionic Sheila!!

This information will also be published on our website. www.scwiba.org.uk
